## The Josef Underground Research Centre & Underground Laboratory

### OPERATIONAL REGULATIONS – ABSTRACT

The full version of the operational rules can be obtained at the Josef URC operations office.

**All visitors entering the Josef facility including the underground areas are required to demonstrate their familiarity with the following regulations.**

#### URC Josef visitor responsibilities:

- Immediately on arrival at the Josef URC all visitors are required:
  - a) **to sign the visitor registration book** which can be found in the operation office (office is situated in the main entrance to the Josef URC building)
  - b) **to familiarise themselves** with the Josef URC operational regulations contained in this abstract. The visitor's signature serves as confirmation of his/her familiarity with the rules and conditions contained in this abstract of the operational regulations.
- upon leaving the Josef URC visitors are required to confirm their departure by means of a second signature in the visitor registration book
- visitors are allowed to **enter the underground areas** only after being granted permission from the Josef URC guide.
- visitors entering underground areas must be in possession of both a **hard hat and a functioning mining light** and must be wearing suitable clothing and footwear (the suitability of which shall be at the discretion of the guide)
- visitors are requested not to open or in any way tamper with the mining lights. Should any defect be found which precludes the safe use of the light the visitor should immediately inform the guide
- visitors are required to behave responsibly so as to avoid the risk of injury or any breach of safety regulations; they are required to **follow the guide's instructions** and bear safety in mind at all times **otherwise they will be expelled from the course.**
- the management of the Josef URC cannot be held responsible for any pre-existing health problems which might be exacerbated by visiting the underground areas of the facility. Should the visitor feel unwell at any time whilst underground, the guide should be informed immediately
- **it is strictly forbidden to enter any of the underground areas under the influence of alcohol or other drugs**
- **smoking and open flames of any origin are strictly forbidden**

**I hereby confirm familiarity with the rules and conditions contained in the Abstract of the Operational Regulations.**
